Kim - Hmmm... You've really been a good friend during the past year! As you know - I think that you have matured greatly since when I first met you. In order for you to be "someone", Kim, you've got to be "Yourself" first! My first evidence of your becoming and, realizing who are was shown to me, by you, last night. I hope that you always be honest with yourself - NO MATTER WHAT! You are first above anything else, and in order for you to be a happy and constructive person - you've got to be honest to Yourself! I think very highly of you, Kim, and I'm glad that you told me "the news." Don't you feel alot better, now? You should. You've had it inside of you for way too long! I'm sure that our friendship will last for a long, long time, if not forever, and I think that that's GREAT! You're a fantastic person and I hope that (am sure that) we can do "something" about "the news". Tell me when! David

Kim, I don't even know what to say, except it's been really great knowing you. I sure hope I'll see you and I'm sure I will. If not I'll have to do something about it. Take Care, I'm glad to have you for such a good friend

cute huh?

If there is sincerity in the heart,
There will be beauty in the character.
If there is beauty in the character,
There will be harmony in the home.
If there is harmony in the home,
There will be order in the nation.
When there is order in the nation,
There will be peace in the world.

This Time Called Life

Across the places deep and dim,
And places brown and bare,
It reaches to the planet's rim—
The Road to Anywhere.

Now east is east, and west is west,
The north lies in between,
And he is blest whose feet are prest
The road that's cool and green.

The road of roads for them that dare,
The lightest whim obey,
Follow where the moose or bear
Has brushed his headlong way.

The secrets that these tangles house
Are step by step revealed,
While, to the sun, the grass and boughs
A store of odors yield.

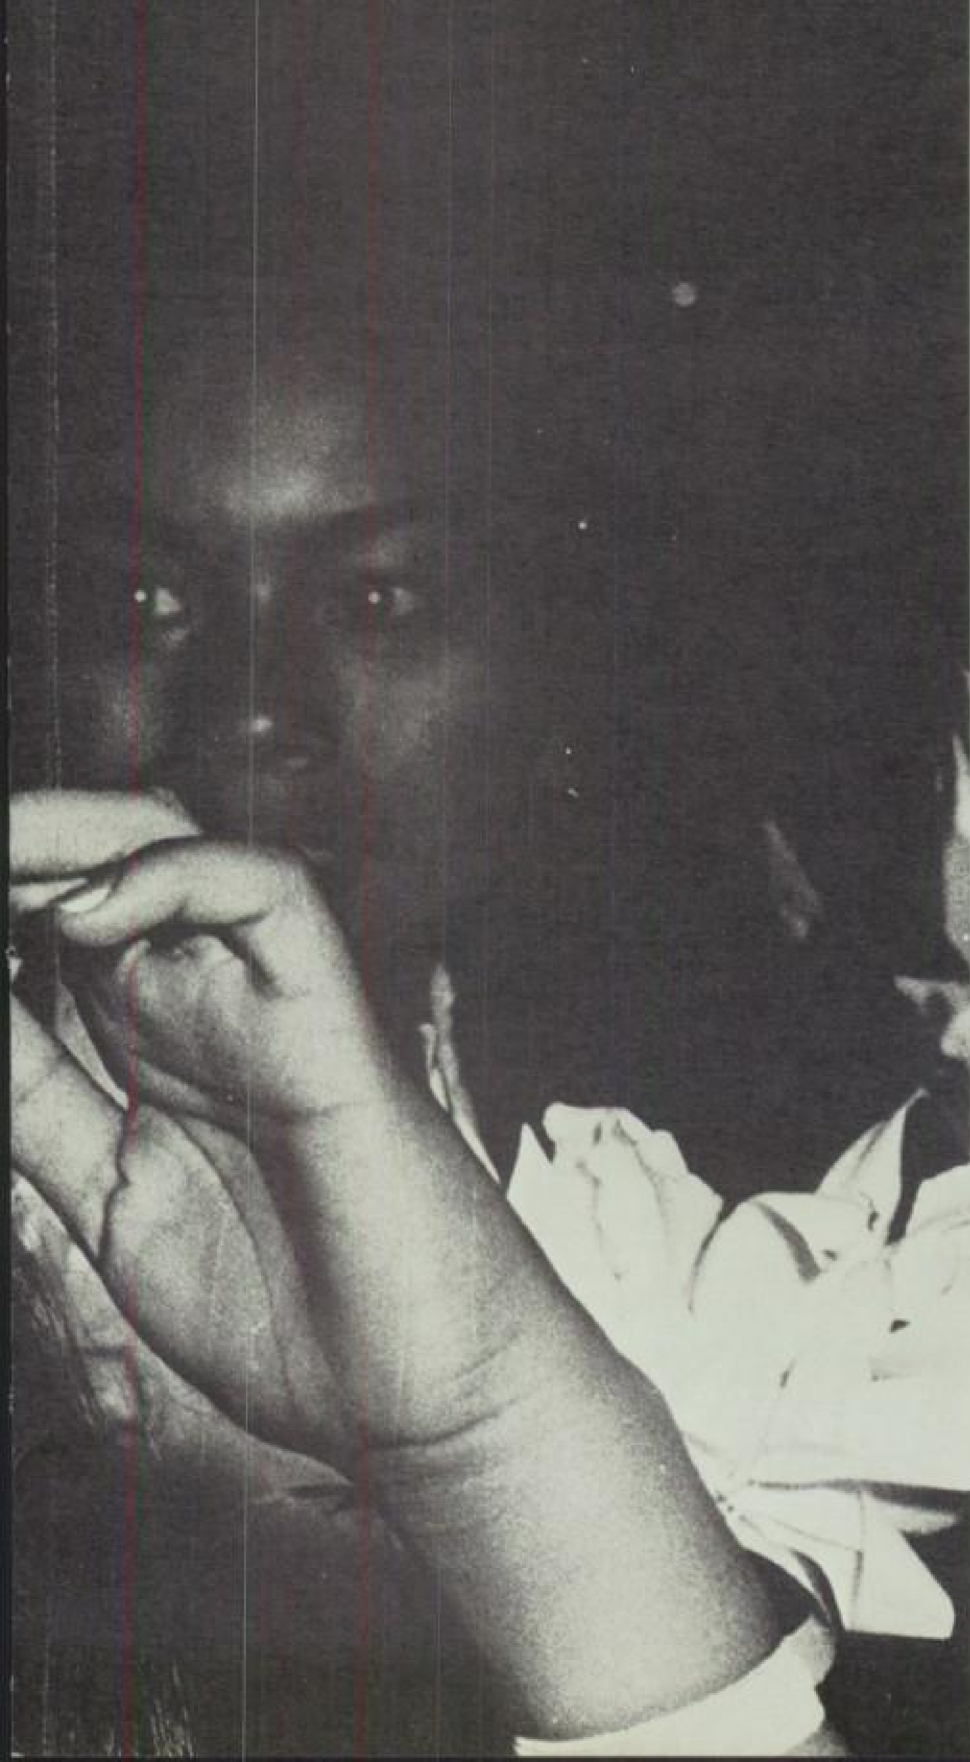

More sweet these odors in the sun
Than swim in chemists' jars;
And when the fragrant day is done,
Night - and a shoal of stars.

Oh, east is east, and west is west,
But north lies full and fair;
And blest is he who follows free
The Road to Anywhere.

Assemblies Get Everyone Involved

The Miser

The Miser was performed by the Old Globe Theatre production. Chosen students were only allowed to attend. The story was about a Miser and how his being a Miser affected his family and anyone he came in contact with. It did have a happy ending. The students were allowed to ask questions of the actors.

Spirit Week

Spirit week began on Monday with a pie eating contest. This was class competition and the seniors won with the team of Kerry Farrar and Ken Wilmashire. Tuesday all classes were busy getting ready for hall decorations. Wednesday the sophomores won hall decorations and seniors took a close second. Wednesday the first annual powder puff finals were played. The sophomores defeated the mighty seniors 6-0. Friday the students enjoyed a Pep Assembly to honor the best football team in Montgomery's history. The highlights of the assembly were the entire band performed for the first time for the student body. Everyone helped Chester Tone celebrate his birthday as the cheerleaders presented Chester with a birthday cake.

Striving for Your Best!!

FALL SPORTS

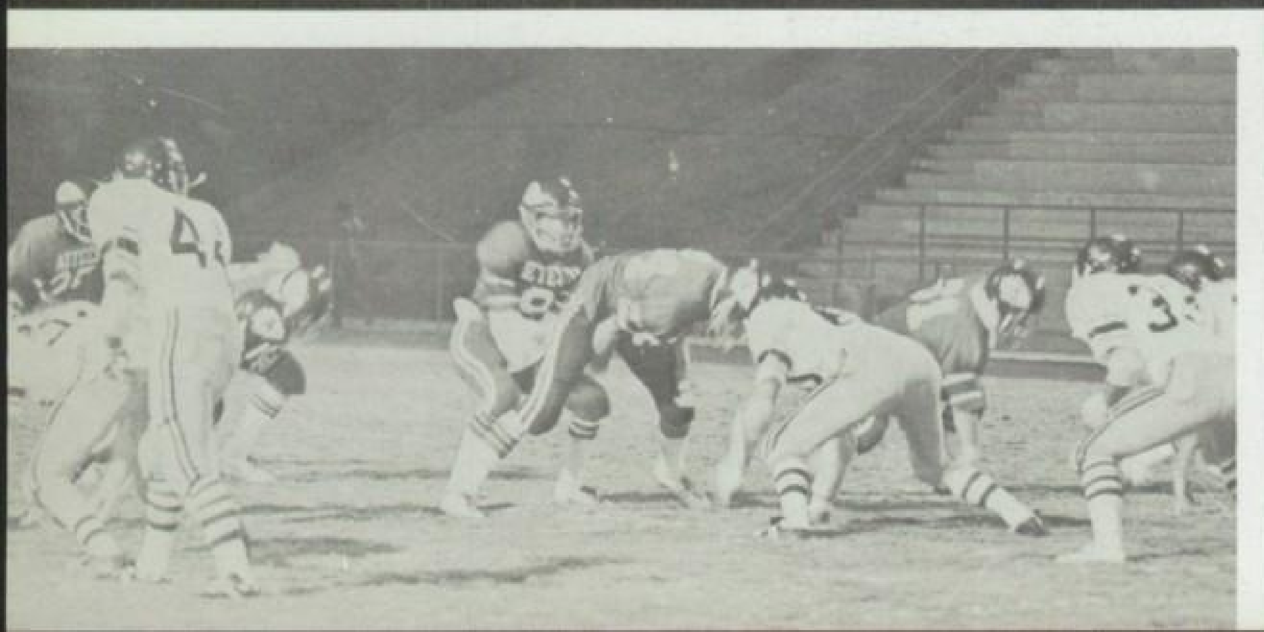

Aztecs' Best Winning Season

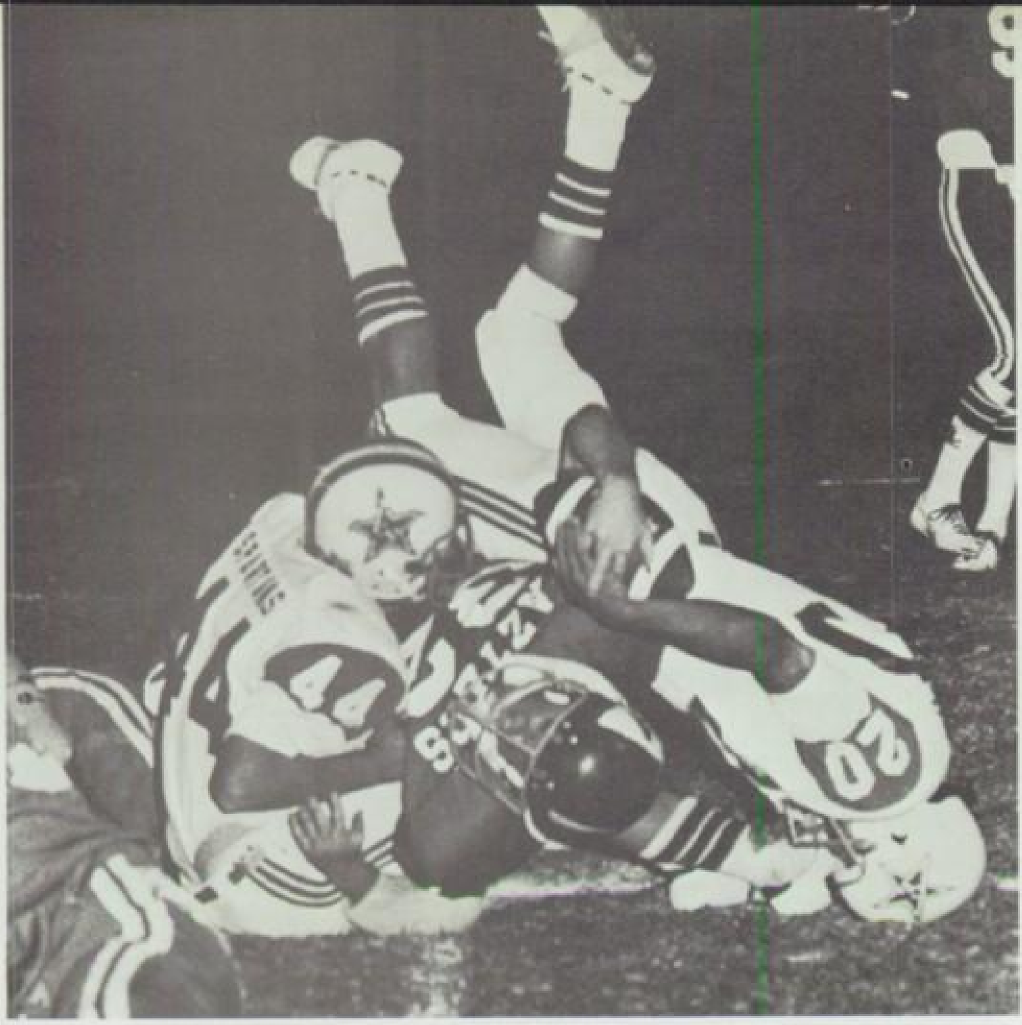

Football, a sport at our school that has always been mediocre, if not worse has come into its own. For the first time in the history of Montgomery, the football program has put forth a product with a true desire to excel.

Many things contributed to this change. Among these things are the additions to the coaching staff. Along with returning coaches Jay Mack (Head Coach), Bob Challis (Line Coach) and Dave Peterson (Backfield Coach), there were three new coaches. Defensive Coordinator Jerry Hombs was brought over from Sweetwater to solidify the defense. He obtained a high degree of success in this task, giving Montgomery the best defense it ever had. Helping Coach Hombs are defensive Line Coach Bill McGloughlin and Defensive Back Coach John DeVore.

Another of the changes came with the simplification of the offensive plays. Changing over from the wishbone offense of the past years to the present "I" offense, the Aztecs received a more balanced attack.

The biggest change that occured, however, took place in the mental and psychological attitude of the players. Bad attitude a stigma that always haunted Montgomery football teams, just didn't exist this season.

Montgomery started the season with a 46-0 romp over non-league Coronado. It was a game of the pass as both quarterbacks filled the air.

The next week the Barons were favored to humiliate Montgomery with their devastating offense and defense. The Barons did finish on top with a score of 20-12. The game was close however, as the Aztecs put pressure on Bonita the entire game. The standout for the game was Mark Hazelton, who returned two interceptions for touchdowns to give the Aztecs their only scores. Another star was defensive lineman Sima Mimea, whose constant pressure on the quarterback caused erratic passing.

Aztecs took on arch-rival Mar Vista in a game that was important because we had never defeated the Mariners. Montgomery went into the half-time leading 6-0. The Aztecs won this grudge game, 28-0.

Among the stars of the season were McGovern, whose passes placed him high among the county's passers; receivers Mike Barnes and Chester Tone, whose receptions brought yards and points to the Aztec offense.

Proud and Mighty We Are

The Varsity Football team improved throughout the season. Psychologically, they were better prepared than previous years. The team lead in upholding the Aztec pride.

Aztec Junior Varsity football learned the power of victory and the power of defeat. Under the coaching of John DeVore they displayed tremendous talent. The defense had the most shutouts in the Metro League. The offense demonstrated their great scoring ability.

Rated number four in the pre-season standings the Varsity Volleyball team suffed several set backs in their strive to maintain their rating. With the season more than half over the team still had an opportunity for C.I.F. playoffs, should they have continued their winning streak.

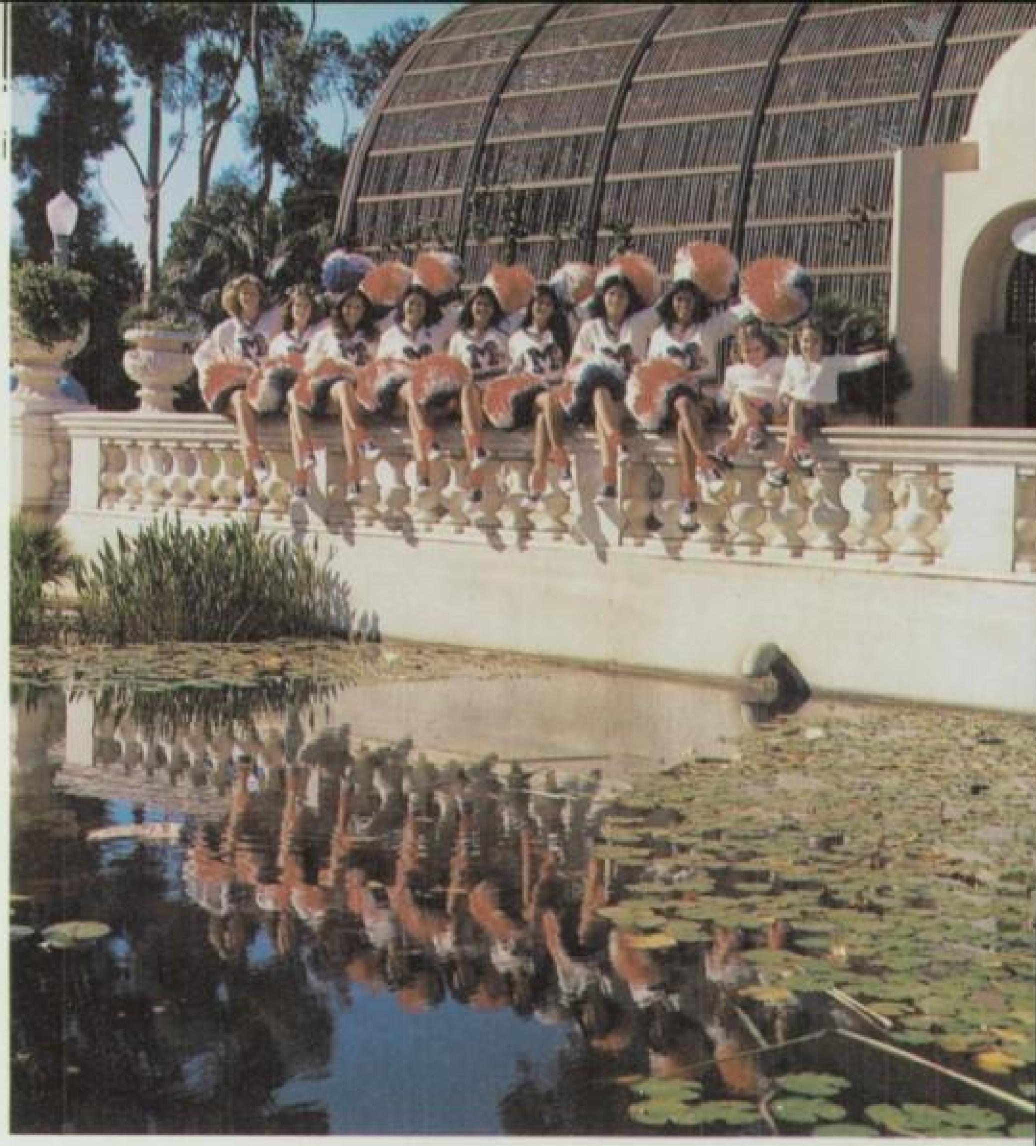

Front Row: C.Toves, A.Garcia, O.Garcia, M.de la Vega, A.Sotelo, *Back Row:* I.Yepis, M.Romero, A.Fitch, C.Schneider, N.Corona.

Uniting the aztec pride to stimulate spirit for the team is a difficult duty. Eight girls totally dedicated to this job bring life and enthusiasm to each play, striving with the team and the school.

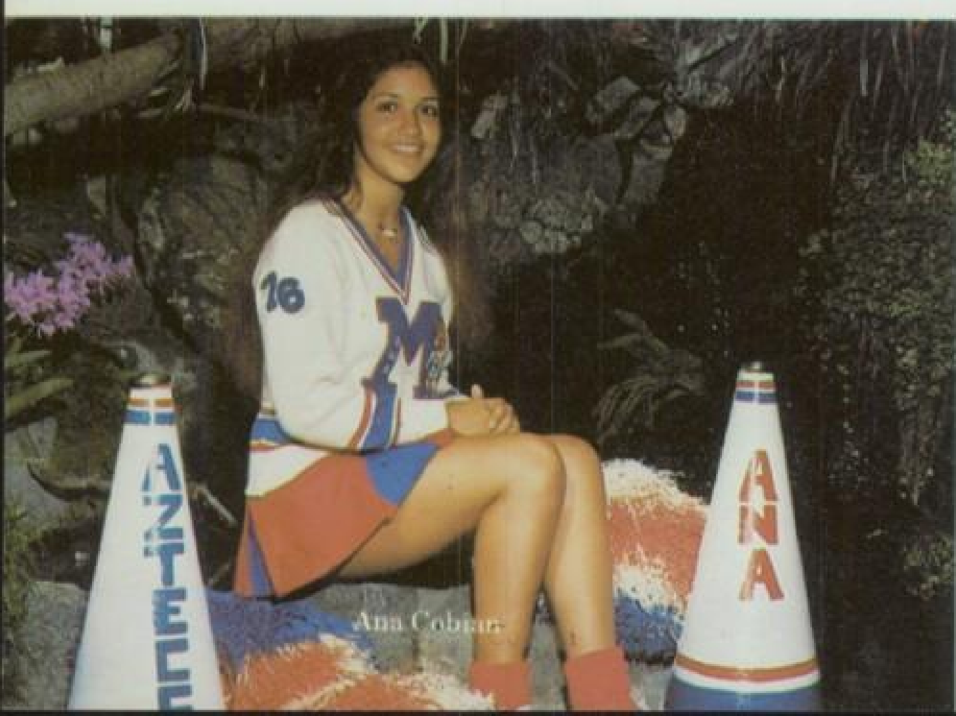

Joyous in victory, yet proud in defeat; knowing what the true meaning of spirit and pride is to a team, they contribute in the difference between winning and losing.

Believes . . . Soccer

Coaching the 1976 Soccer Team has been a tremendous experience. The individuals were dedicated to the team, and the team was willing to work to produce winning soccer. Led by all-league players and tri-captains Jesus Garcia, Juan Ramirez, and Marco Antonio Salgado, the Aztecs went from a slow start to a strong finish in route to another successful soccer season.

Although this year was not a winning year for the girls softball team, it was a good year! Each girl tried her hardest and played her position to the best of her ability. Team work was good and spirit was always high on the team.

This year has been a good building year and hopefully next year, with a strong pitcher, we should have a winning ball club.

The varsity wrestling team had high hopes this year. But as it turned out it was a year for improvement. Practicing in a 90^{0} heated room they strived to reach their potential goals. In hopes that they might win as a team and as individuals. Other strong wrestlers who will return on the Aztecs team for next year will be Rick Bernal and Steve King.

This years edition of Aztec Baseball proved to be one of the best. After finishing second in Metro League last year and then making it to the county playoffs in summer league action, the powerful Aztecs were ranked seventh in the county in Prep Athlete Magazine. Under the leadership of third-year coach Mike Challis, the Aztec baseball program had improved tremendously. The Aztec players were a special group, showing it in their actions on the field and also in the classroom as the combined grade point average of the team was an astounding 3.1.

This was the supreme example of the spirit of the 1976 Montgomery Aztec Baseball Team.

Talent . . .

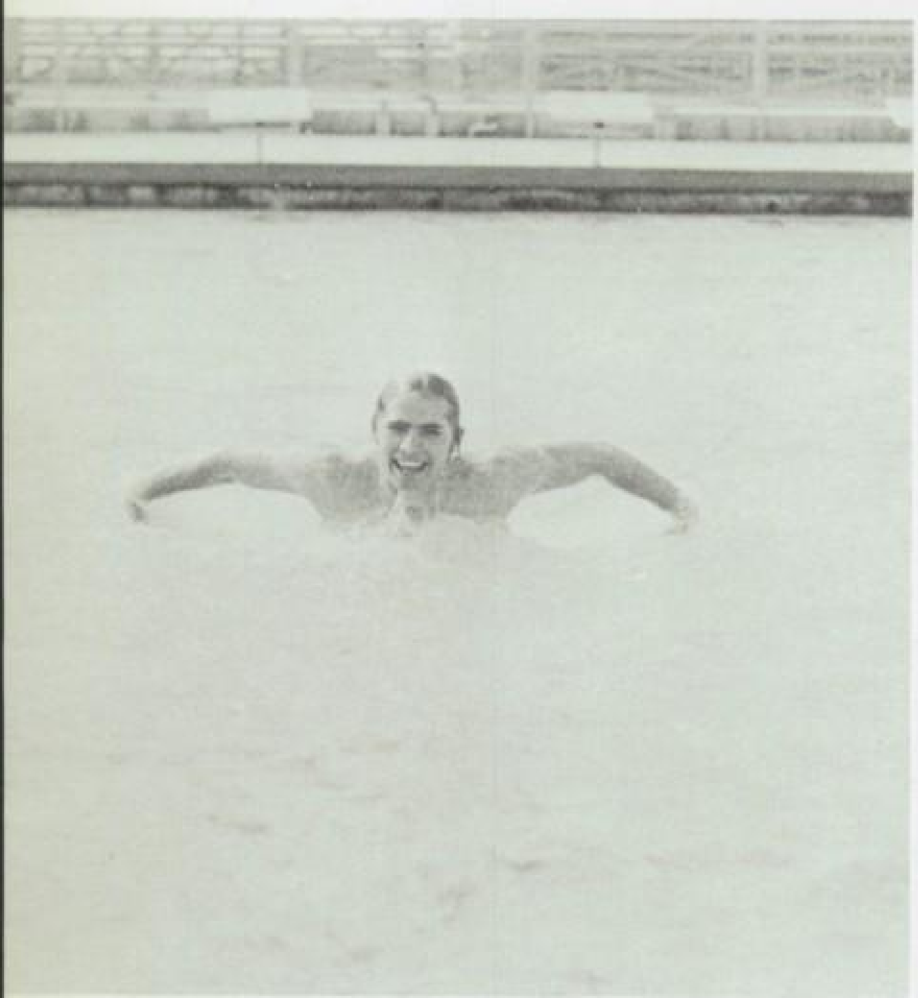

The girls on the Gymnastic team were very enthusiastic and eager to do well in representing MHS this year. We had one returning letterperson, Arlene Narciza, who should, with last years experience, be much improved this year. The team's closeness can be attributed to the face that all the routines are new this year and everyone had to work together in order to learn all of the new material. With the eagerness and enthusiasm now being displayed by the team we should do well in our meets. Coach Pyle.

Aztec's Future Is Now . . .

With the return of seven varsity seniors, expectations are high for an improved season record. Two practice sessions daily have added strength and endurance in all events. Outstanding performances for this season's varsity were turned in by Darrell Rucker, Ron Coss, Rick Ellison, and Richard Brown. The JV scored well with the performances of Greg Allen, John Spears, Jim Bennetts, and Richard Flees.

The six candids are of six of the nine seniors who are swimming this year. Our thanks to Mr. Lloyd Coutts for being our coach this year and we hope you will return with us next year.

The Moving Spirit in their patriotic red, whie, and blue celebrated the Bicentennial by giving performances at many local schools. They wound up a great year with a standing ovation performance right here at home.

Choir and Moving Spirit were both directed by Mr. Cusack. The pianist for the groups was Wyonna McDowell and David Looney on the trumpet.

Last year, Mr. Williams and Doctor Elliott started a program concerning peer counseling. The purpose of the program was to help students who were having trouble in any area of work. Through tutoring, they also tried to help them with their personal problems.

This year there are about 12 students who are doing assistant counseling where they do their own paperwork such as unsatisfactory notices or reviewing their credits or schedules along with helping the students with their problems.

Tonalámatl Staff

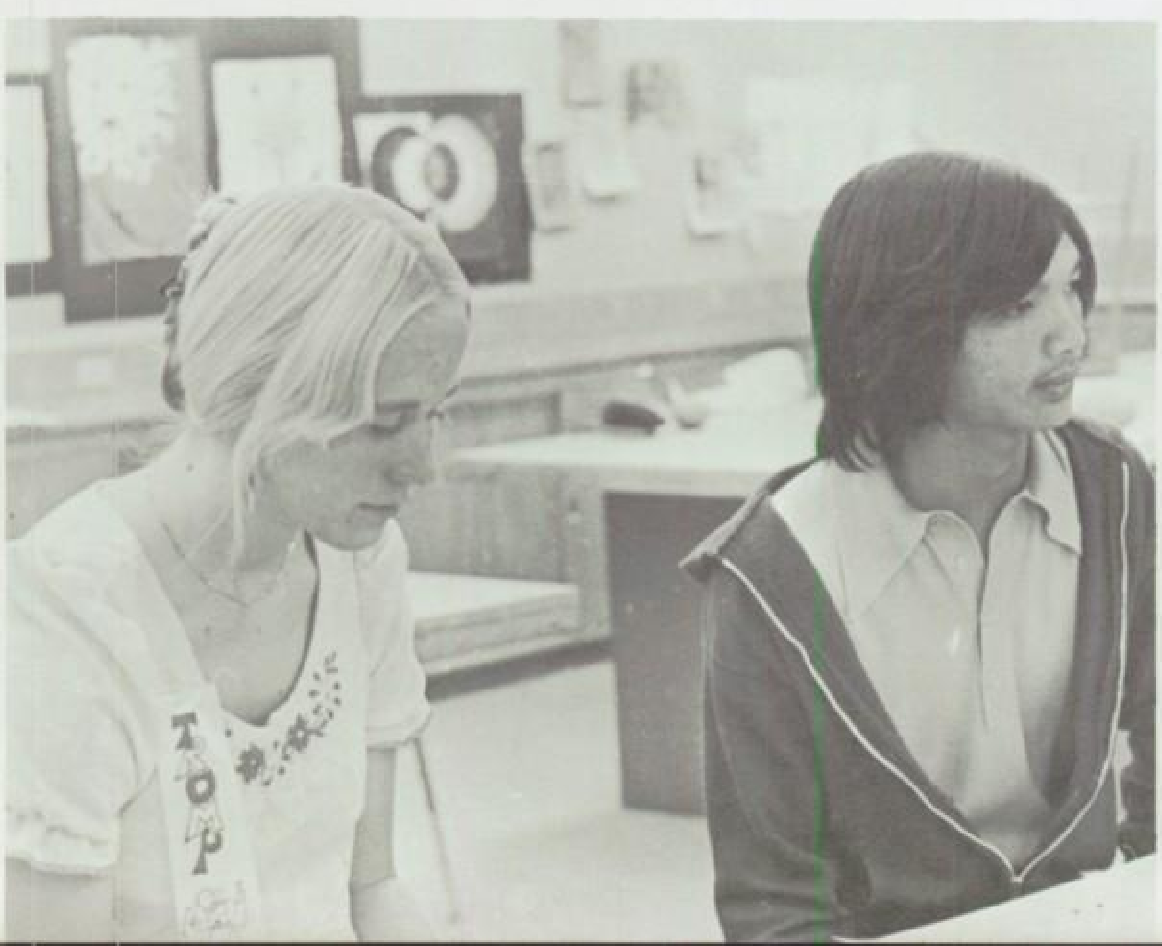

Puts It Together.

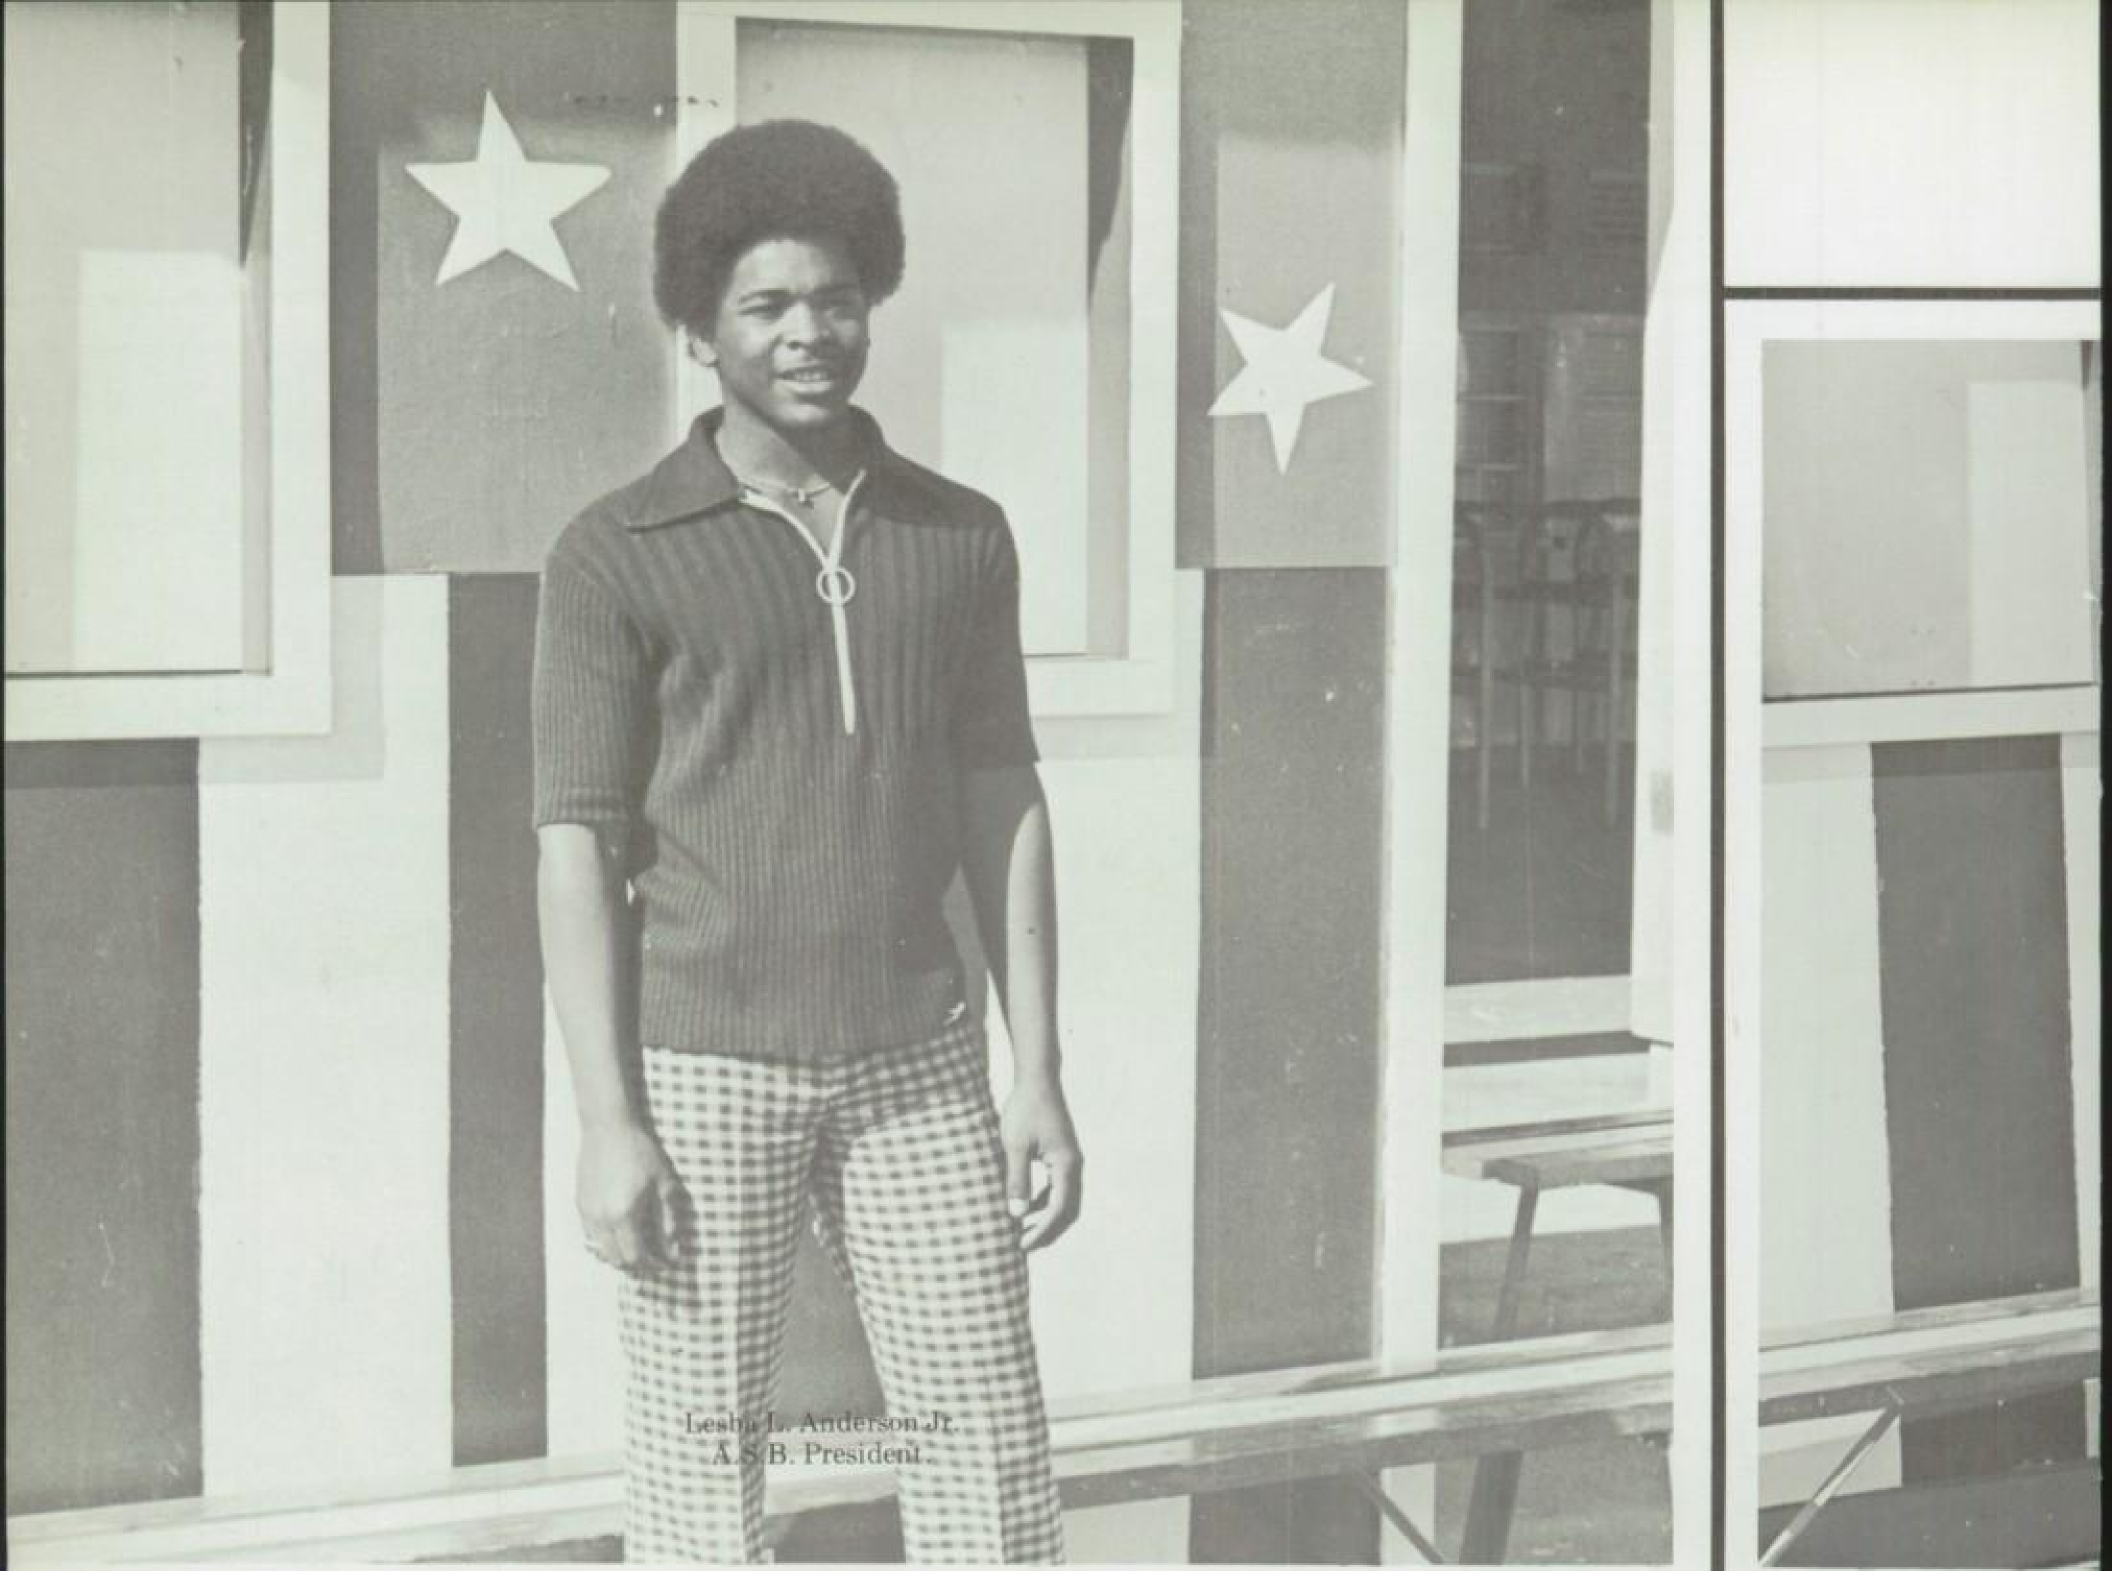

The Tonalámatl Staff is responsible for putting together a $10,000.00 publication of this year's Tonalámatl. The Staff consisted of 13 members. Three were photographers and the other ten worked on the various sections in the book. The Staff worked as a team and they all put in long and strenuous hours at school and at home. The members enjoyed putting this together and know you will enjoy it.

For the Las Aztecas "WINNING" was the big goal for the year!!!

With harder competition and a bigger drill team the Las Aztecas had to work twice as hard.

They devoted many hours during the summer learning and perfecting their marching style and parade routine. Also, last August, the officers competed against other officers from all over southern California at Hibbards camp at Loyola College. They returned with first place and many blue ribbons.

After the long hours of hard practice the Las Aztecas first competition parade had arrived, the El Primero Band Review. Nervous and unsure of theirselves the Las Aztecas stepped off and won 4th place. But at the Chaffey Band Review they placed 1st and in showmanship they scored 297.5 out of 300 which was the highest score the drillteam ever received in showmanship. A week later in the Anaheim Band Review once again they returned with another 1st place trophy.

The Las Aztecas were also successful in this year's band pageant. They performed a routine to "Smoke on the Water" as the audience applauded and cheered them on. They also performed at pep assemblies, home football games, and home basketball games.

Kim,

Did we have some good times in Vocal Ens. - did we!! I'm writing Now because it was just yesterday that it happened But in 15 years it'll just be a memory. But when you read this I hope this brings them all back. God Kim we went through alot in one year. Remember that one time we got super loaded and sang at District Choir. God memories. Well Kim if I hope life finds you, may you live it to the fullest.
